

SAFETY WARNING STATEMENT

REF: AW 122-2

This statement is to provide users with information on how to use the products correctly and safely, while also warning them of the potential dangers of misuse and precautions to take in avoiding the risk of serious injury or death.

Safety Warning: *Use of this product and participation involves inherent risks of injury or death.*

- This product must not be used for any lifting purposes.
- Inspect complete strap before each use.
- Protect webbing strap from abrasion and sharp edges.
- Do not use the strap if cut or damaged.
- Do not tie knots in webbing strap.
- Only use the correct strap for its designed purpose.
- Evaluate each situation and use the correct rated product that will best suit.
- Do not attach any strap to a standard tow ball, standard vehicle tie-down point or a standard nudge or bull bar. Attach only to a suitable rated recovery point or device. Refer to manufacturer's recommendations.
- Always follow our product instructions and if in doubt, ask an expert. Driver Trainers are such people, with full knowledge and expertise advice.
- Keep all persons clear while recovery is in progress, at least the same distance away from the vehicles as the length of the strap is, in the opposite direction.
- Use a blanket, towel or our specially designed Safety Weight Blanket and place it over the middle of the strap to absorb the re-coil action should any equipment fail.
- Outside parameters can reduce the life and capacity of the strap. Strength and characteristics are reduced when wet.
- Keep away from any chemicals and out of direct sunlight.
- Clean dirt, sand, etc from the strap with water and mild detergent if required, and allow to dry prior to storing in our specially designed recovery bags.

DISCLAIMER

The user of these straps assumes all risk and liability for their handling and use and releases the manufacturers and/or suppliers of the straps from all liability however arising out of the use of the straps due to any negligent act, breach of duty, default and/or omission on the part of the manufacturer and/or supplier and their Directors, Servants or Agents.
